VOL. 3 NO. 110 October 27-28, 1989 FREE MEADOWBROOK CINEMA

*** SUPER DUPER HALLOWEEN WEEKEND *

The word this weekend is INCREDIBLE!!! WE did it last year, we'll do it again this year: 5 shows. Only, unlike last year, we'll do it at 4 places instead of 3. Without any further ado, let's BEGIN!

Friday, Meadowbrook: Cast Costume (and LOU BRUTIS?)

For the loyal Friday night fanatics, we have a special show put on by the cast in Halloween costumes, not regular Rocky Costumes. Word is that LOU BRUTIS of WHJY is going to be here! Lou was the MC at the WHJY Louie Louie Parade, where the RI RHPS Cast took the Worst Dressed Band award (We still can't get over that). Well, Lou, we won't be dressed like that Friday Night. We'll show you a thing or two about dressing up!

Saturday(7:30), Johnson & Wales

Wo! We were there last year. Over 450 people! And the place echoed. You want to talk about LOUD? Seriously, when we got back to the Meadowbrook after doing the show there, the sound seemed incredibly soft. This will probably be another monster show. Preshow - yes! On a side note, Next week's Virgin Cast Night II will quite possibly be an All-Johnson & Wales Virgin Cast!

Saturday, Meadowbrook: Audience Costume Contest

Expect a big night here! The pre-show group are planning a big one! Then, the audience takes the spotlight in the annual audience costume contest. Two categories: Rocky Costumes, and Non-Rocky Costumes. Prizes compliments of Bert, owner of the Meadowbrook. First Prizes: 4 free passes, regular coke & regular popcorn. Second Prizes: 2 free passes, small coke & small popcorn. Third Prizes: small coke & small popcorn. Be there & compete!!

Sunday(All Day), Rest

If God needed a day of rest, so do we. (Don't forget to "Fall Back".)

Monday(11:00), Rhode Island College

We were treated fantastic by Kristen & her staff last spring. But we didn't get to meet Kristen. This year we do. And she meets us (ohno!) We hope we can keep coming back to RIC every semester!

Tuesday(10:30), JC's Lounge

GARY HOPP comes thru for us again! This year, he's booked us in JC's on West Shore Road in Warwick. If you're over 20, come check us do a special highlight show (about 45 minutes). TOUCH will be playing that night! We are planning to do something that we've never done before. If we can pull it off, it will open doors to do such a simular show in other places in the future. Are you going to miss that?
