## PEEK-A-BOOB

The flashing Columbia; a lost art form.

In The Rocky Horror Picture Show, We see Columbia in the floor show. During her solo, she turns around and sings "Rose tint my world and keep me safe from my trouble and pain". At this point we can see very quickly Columbia's cherry red nipples. Thus, she "flashes" her tits at the audience.

Now since the cast's goal is to act out the movie, some of our cast members who play Columbia figured that they should "go for realism".

It has been a long time since we saw a live Columbia flash. How much do you remember?

1. How many live Columbia's have flashed here at the Meadowbrook? \_\_\_\_\_
2. Who was the first R.I. Cast Columbia to flash? (HINT- Cumberland Twin Cinema) \_\_\_\_\_
3. Of all those Columbias who have flashed at the Meadowbrook, who had the biggest breasts? \_\_\_\_\_
4. Who was the Boston Cast member who has flashed at the Meadowbrook? \_\_\_\_\_
5. Which Columbia would you personally like to see flash again the most? \_\_\_\_\_  
(You can't get #5 wrong.)

Name \_\_\_\_\_

If you answer all the questions correctly, you will win a prize. So fill out this quiz, put your name on it, and someone will collect them before the show starts. The winners (both Fri. and Sat.) will get their name printed in the next issue of Rocky Review and if they bring me a copy of the newsletter with their name in it and a picture I.D., they will also win a prize. This quiz is not easy, so here is a picture of a pair of breasts to get you in the right frame of mind.

## MTV!!!

On Halloween night, MTV aired "The Rocky Horror Video Show", a half hour rendition of the movie. Richard Riff Raff Ritz O'Brien hosted the show sporting his "still" bald head, eye make-up, and evil looking black costume. Unfortunately I saw it at the J.C.'s Lounge gig and the sound was turned down and "Touch" was turned up.

At the end of the show, they showed a list of theaters showing Rocky Horror around the country. The Meadowbrook was one of the theaters they showed! It read "Meadowbrook Warwick, R.I." So, we got advertised on M.T.V.!
