NIGHT OF THE LIVING SUGGESTION BOX

It is time once again for responses to suggestions that you, the audience, have put into the suggestion box in the lobby on the candy counter. Hear they cum!:

BOX: Who is this Kurt Kid?

Response: I don't know, but everybody is talking about him.

B: Kurt should play all the parts!

R: At once?

B: What is Kurt's phone number?

R: 1-900-FOR-KURT

B: Does Kurt charge much?

R: I've heard that his going rate is one hundred dollars for the 1st minute, fifty dollars each additional minute.

B: If we can put a man on the moon, why can't we put Kurt in my bed?

R: Believe me, it is easier to put a man on the moon.

B: Can Kurt do a Pre-show naked?

R: He already did on a Friday night, but since nobody wants to come on Friday nights anymore, everyone missed it!

B: What are the chances of Kurt spending the night with me?

R: Not very good when he finds out that you wrote all these suggestions, Brad!

B: Show Shock Treatment before or after Rocky some night.

R: Burt (Theater owner) shows regular movies before Rocky and who is going to want to stay, and watch a movie that starts at 2:00 AM?

B: Please, if you have any compassion, you will make Donavan keep his clothes on!

R: Donavan gives us trouble with that all the time. Ever since he was a baby, he just hated wearing clothes.

B: Do the show some night without the movie.

R: We almost did by mistake a few weeks ago when we had a problem with the movie, and it was fun and the audience seemed to like it, but if 20th Century Fox found

out we did it on purpose, they would be very upset.

B: Push the donation can on people more to get a new copy of the film.

R: Getting a new copy really has nothing to do with money. T.C.F. only puts out three new copies of the film each year and there are over 100 theaters in the U.S. showing Rocky. We have to wait our turn. But don't worry. We could possibly get a new print within fifteen years!

B: How about more live Pre-shows?

R: How about more help?

B: Hook up the movie to the sound system all the time!

R: It is being looked into. We can do it with the mike but it picks up projector noise. I'd like to try to do it through just wires to get a better sound.

B: Why do I keep coming here week after week?

R: I've been asking myself that question for the past three years!

B: Is Mike Frongillo really a God?

R: So help me, Me!

B: Why can't we get a cigarette machine instead of running out in the cold?

R: Burt said that he was thinking about it. It very well might happen!!

B: Why can't we "have sex" in the iso or in cinemas 2 and 3?

R: Who ever said we couldn't? Just make sure you clean it up.

B: I just wanted to say "hi" and say thank you everyone is doing a fantastic job. Give yourselves a pat on the back, you deserve it. -a loving regular.

R: Maybe this is why I come to the show week after week. MF
